

## Is it permissible for a Father to force his son into marriage with a girl he doesn't desire?

Shaykh Sulaymān al-'Alwān responded by saying: It's not allowed for either parent to compel their son into marriage with someone they don't want or love because the result of this marriage might end in a divorce or a miserable life for both of them. And it's not compulsory upon the son to obey them in this and it wouldn't be considered disobedience in doing so. However, it's necessary upon the son to be gentle in his rejection and to not raise his voice upon his parents or let them hear any bad words.
